

Pre-Anesthetic Consent Form

I, _____, give consent to the staff of Safe Harbor Animal Hospital to administer anesthesia for my pet's surgical procedure. I understand there is an inherent risk with any anesthetic or surgical procedure. I also understand that if my pet is in heat, pregnant, or has complications during the surgery, additional fees will be charged. Aftercare, including rebandaging, medications, Elizabethan collars, resuturing, and rechecks are not included in the price of the original surgical procedure. If we find fleas on your pet while they are in the hospital, a Capstar flea prevention pill will be given. This will not interfere with any other medications your pet is taking. If this is given, the charge is \$7 _____ (initial here)

• Pre-Anesthetic Bloodwork Options

I understand that I have the option to have pre-anesthetic bloodwork performed at an additional cost. This bloodwork can help determine underlying illnesses of the blood, kidneys, or liver. These illnesses may pose a greater anesthetic risk.

- No Pre-Anesthetic Bloodwork is desired
- Minimum Bloodwork- Recommended for all Healthy Patients.....\$25
PCV/TP, BUN (detects for anemia and kidney problems)
- Recommended Bloodwork- Recommended for all Healthy Patients.....\$50
PCV/TP, BUN, Creatinine, ALT (additional screen for kidneys/liver)
- Senior Bloodwork- All Patients over 7 years old.....\$125
Chemistry Panel, Urinalysis, CBC, IV Catheter and Fluids

• Recommended Services

- Feline Leukemia/FIV/Heartworm Test.....\$30
- Canine Heartworm Test.....\$32
- Stool Exam (to check for Intestinal Parasites).....\$10

• Services under anesthesia:

- Nail Trim.....\$5
- Ear Cleansing.....\$6
- Express Anal Glands.....\$6
- AVID microchip.....\$52
- Exclude Pain Management..... _____
